I am writing to provide a letter of reference for your production, Four Wishes. Your performance of this show as an assembly at Flatirons Elementary School was a big hit with the children and adults alike. The production was both entertaining and thought provoking, incorporating story-telling, humor, psychology, masks, and puppetry.

In addition to the success of the show, it was a pleasure to work with you. I very much appreciated your professionalism, responsiveness, and ability to adapt to the particulars of our school environment. You were also very prepared and adept in setting up your very beautiful and impressive stage set. The production was well worth the cost and the children's time away from the classroom. We look forward to having you back at Flatirons.

Thank you for your great work,

Carolyn Dimson
